2. Mrs. McClellan in USIA (extension 3402) called to say that they had received a letter from Congressman Glenard P. Lipscomb (R., Calif.) for world press clippings commenting on Premier Khrushchev's visit to the United States. She said they would like to send Lipscomb or have us send Lipscomb a copy of the FBIS Foreign Radio and Press Reaction to Premier Khrushchev's Visit. She was advised that we would contact Congressman Lipscomb's office directly on this document which is marked Official Use Only. Congressman Lipscomb's office subsequently suggested that the report be sent directly to the Congressman at his Los Angeles address.

3. [redacted] of FDD called to alert us to a JPRS translation which he feels will be of interest to certain people on the Hill. This is entitled Academy of Sciences USSR: Review of 1958 Activities. The Library has been requested to provide us with copies when they are available [redacted]
